SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph B.2.) applies to property located in the following state(s):

California	Oregon
Illinois	Virginia
Iowa	Washington
Missouri	Wisconsin
North Carolina	

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Coverage is amended as follows:

1. Applicability Of The Provisions Of This Endorsement

a. The provisions of this endorsement become applicable commencing on the date when any one or more of the following first occurs. But if your policy (meaning the policy period in which this endorsement applies) begins after such date, then the provisions of this endorsement become applicable on the date your policy begins.

(1) The federal Terrorism Risk Insurance Program ("Program"), established by the Terrorism Risk Insurance Act, has terminated with respect to the type of insurance provided under this Coverage Form; or

(2) A renewal, extension or replacement of the Program has become effective without a requirement to make terrorism coverage available to you and with revisions that:

(a) Increase our statutory percentage deductible under the Program for terrorism losses. (That deductible determines the amount of all certified terrorism losses we must pay in a calendar year, before the federal government shares in subsequent payment of certified terrorism losses.); or

(b) Decrease the federal government's statutory percentage share in potential terrorism losses above such deductible; or

(c) Redefine terrorism or make insurance coverage for terrorism subject to provisions or requirements that differ from those that apply to other types of events or occurrences under this policy.

b. If the provisions of this endorsement become applicable, such provisions:

(1) Supersede any terrorism endorsement already endorsed to this policy that addresses "certified acts of terrorism" and/or "other acts of terrorism", but only with respect to loss or injury or damage from an incident(s) of terrorism (however defined) that occurs on or after the date when the provisions of this endorsement become applicable; and

(2) Remain applicable unless we notify you of changes in these provisions, in response to federal law.

c. If the provisions of this endorsement do NOT become applicable, any terrorism endorsement already endorsed to this policy, that addresses "certified acts of terrorism" and/or "other acts of terrorism", will continue in effect unless we notify you of changes to that endorsement in response to federal law.

2. The following definition is added and applies under this endorsement wherever the term terrorism is enclosed in quotation marks.

"Terrorism" means activities against persons, organizations or property of any nature:

a. That involve the following or preparation for the following:

(1) Use or threat of force or violence; or

(2) Commission or threat of a dangerous act; or

(3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

b. When one or both of the following applies:

(1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or

(2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

B. The applicable **Property Coverage Form** is amended as follows:

1. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for loss or damage caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":

a. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or

b. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or

c. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or

d. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or

e. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold is exceeded.

With respect to this Item **1.e.**, the immediately preceding paragraph describes the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Form.

2. Exception Covering Certain Fire Losses

The following exception to the Exclusion Of Terrorism applies only if indicated and as indicated in the Schedule of this endorsement.

If "terrorism" results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverages or endorsements that apply to those coverages.

3. Application Of Other Exclusions

When the Exclusion Of Terrorism applies in accordance with the terms of Paragraph **1.a.** or **1.b.**, such exclusion applies without regard to the Nuclear Hazard Exclusion in this Coverage Form.

C. The applicable **Liability Coverage Form** and the **Directors and Officers Liability Coverage Form** is amended as follows:

1. The following definition is added and applies under this endorsement wherever the phrase any injury or damage, is enclosed in quotation marks:

"Any injury or damage" means any injury or damage covered under this Coverage Form or any applicable endorsement, and includes but is not limited to "bodily injury", "property damage" or "personal and advertising injury", as may be defined under this Coverage Form or any applicable endorsement.

2. The following exclusion is added:

EXCLUSION OF TERRORISM

We will not pay for "any injury or damage" caused directly or indirectly by "terrorism", including action in hindering or defending against an actual or expected incident of "terrorism". "Any injury or damage" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to such injury or damage. **But this exclusion applies only when one or more of the following are attributed to an incident of "terrorism":**

- a. The "terrorism" is carried out by means of the dispersal or application of radioactive material, or through the use of a nuclear weapon or device that involves or produces a nuclear reaction, nuclear radiation or radioactive contamination; or
- b. Radioactive material is released, and it appears that one purpose of the "terrorism" was to release such material; or
- c. The "terrorism" is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
- d. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the "terrorism" was to release such materials; or
- e. The total of insured damage to all types of property exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the "terrorism" and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or

f. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:

- (1)** Physical injury that involves a substantial risk of death; or
- (2)** Protracted and obvious physical disfigurement; or
- (3)** Protracted loss of or impairment of the function of a bodily member or organ.

Multiple incidents of "terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the thresholds in Paragraph **2.e.** or **2.f.** are exceeded.

With respect to this Exclusion, Paragraphs **2.e.** and **2.f.** describe the threshold used to measure the magnitude of an incident of "terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this Exclusion will apply to that incident. When the Exclusion applies to an incident of "terrorism", there is no coverage under this Coverage Form.

D. The following provision is added to the applicable Coverage Form:

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for loss or injury or damage that is otherwise excluded under this Policy.

This endorsement is part of your policy. It supersedes and controls anything to the contrary. It is otherwise subject to all the terms of the policy.

THIS ENDORSEMENT IS ATTACHED TO AND MADE PART OF YOUR POLICY IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT. THIS ENDORSEMENT DOES NOT GRANT ANY COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF ANY COVERAGE UNDER THE POLICY.

TEXAS AMENDATORY ENDORSEMENT

This endorsement modifies insurance provided under the:

CYBER LIABILITY AND DATA BREACH RESPONSE COVERAGE FORM

A. Section II. DEFENSE AND SETTLEMENT OF CLAIMS is amended by the addition of the following:

- D.** The Company shall provide written notice to the "named insured" of an initial offer to settle or compromise a "claim" against the "insured", no later than 10 days after the date on which the offer to settle or compromise is made, unless the "named insured" advises us of such initial offer to settle or compromise the "claim". The Company shall also provide written notice to the "named insured" of the settlement of a "claim" against the "insured" no later than 30 days after the settlement.

B. Section XVI. CANCELLATION is deleted and replaced with the following:

- A.** The "named insured" may only cancel this Coverage Form by mailing to the Company written notice stating when, not less than 30 days thereafter, such cancellation shall be effective.

B. If this Coverage Form does not provide coverage to a governmental unit, as defined under 28 TEX. ADMIN. CODE, Section 5.7001 and:

- 1.** Has been in effect for 60 days or less and is not a renewal, the Company may cancel this Coverage Form for any reason; or
- 2.** Has been in effect for more than 60 days, the Company may only cancel this Coverage Form for one or more of the following reasons:
 - a.** Fraud in obtaining coverage;
 - b.** Failure to pay Premiums when due;
 - c.** An increase in hazard within the "insured's" control that would produce a rate increase;
 - d.** Loss of our reinsurance covering all or part of the risk covered by this Coverage Form; or
 - e.** If the Company is placed in supervision, conservatorship, or receivership and the cancellation is approved or directed by the supervisor, conservator, or receiver.

C. If this policy provides coverage to a governmental unit, as defined under 28 TEX. ADMIN. CODE, Section 5.7001 and:

- 1.** Has been in effect for less than 90 days, we may cancel this policy for any reason; or
- 2.** Has been in effect for 90 days or more, or if it is a renewal or continuation of a policy issued by us, we may cancel this policy only for the following reasons:
 - a.** If the first "named insured" does not pay the premium or any portion of the premium when due;
 - b.** If the Texas Department of Insurance determines that continuation of this policy would result in violation of the Texas Insurance Code or any other law governing the business of insurance in Texas;
 - c.** If the "named insured" submits a fraudulent claim; or
 - d.** If there is an increase in the hazard within the control of the "named insured" which would provide an increase in rate.

D. The Company may cancel this Coverage Form by mailing or delivering to the "named insured" at the address shown in the Declarations written notice stating when, not less than ten days thereafter, such cancellation shall be effective. The notice of cancellation shall state the reason for cancellation. We shall not cancel this Coverage Form based solely on the fact the "insured" is an elected official.

If this Coverage Form is cancelled, the Company will send the "named insured" any unearned premium refund due. If the Company cancels, the refund will be pro rata. Refund premium adjustments may be made at the time cancellation becomes effective, but payment or tender of unearned Premium is not a condition of cancellation.

If the "named insured" cancels, earned Premium will be computed on a short rate basis. The customary short rate return premium shall be calculated by multiplying the pro rata unearned premium by 90%. The cancellation will be effective even if the Company has not made or offered a refund.

C. Section **XVII. NONRENEWAL** is amended by the addition of the following:

If notice of non-renewal by the Company is mailed or delivered less than 60 days before the date this Coverage Form expires, this Coverage Form will remain in effect until the 61st day after the date on which the notice is mailed or delivered. Earned Premium for any period of coverage that extends beyond this Coverage Forms expiration date will be computed pro rata based on the previous years premium. If this Coverage Form is so extended, such period of extended coverage shall be part of and not in addition to the "Policy Period". We may not refuse to renew this Coverage Form solely because the "insured" is an elected official.

This endorsement is part of your policy. It supersedes and controls anything to the contrary. It is otherwise subject to all the terms of the policy.

2. If more than one Deductible applies in any one occurrence we will apply each Deductible separately per location. But the total of all Deductible amounts applied in that occurrence will not exceed the highest applicable Deductible per location.

Dear Valued Customer,

Have the growth of your business and rising labor costs reduced the accuracy of the payroll or revenue shown on your policy? Have increased costs and inflationary trends reduced the protection provided by your policy? Building and Business Personal Property insurance limits, once adequate, may no longer meet today's repair or replacement costs.

To help compensate for these inflationary trends, the limits of insurance for Building and/or Business Personal Property coverages have been increased by a modest percentage. To keep your policy current with rising labor costs and normal business growth, the payroll and/or revenue have also been increased by a modest percentage.

This renewal offer includes the adjusted limits of insurance, payroll, revenue, and premium for your policy. The adjustments are relatively small, and they're based on estimated increases in the past year's construction and repair costs, as well as other inflationary factors, such as rising labor costs and normal business growth.

These increases do not guarantee adequate coverage for any loss; they are based on estimates. It is possible, for example, that updates or improvements to your property or increased sales might cause your individual needs for coverage to be greater than the amount provided by these adjustments. If you have not reviewed your policy recently, the effects of inflationary changes over time create the likelihood that the increases we made are less than the increases you need for optimal coverage.

These changes are made to better serve your insurance needs, and we encourage you to contact your Farmers[®] agent, who will be pleased to help you with a comprehensive review of your policy.

Acceptance of these changes does not waive the provisions of the coinsurance clause or any other policy clause.

Thank you for choosing Farmers. We appreciate your business.

**LIMITED TERRORISM EXCLUSION
(OTHER THAN CERTIFIED ACTS OF TERRORISM);
CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM**

This endorsement modifies insurance provided under the policy number indicated above.

SCHEDULE

The Exception Covering Certain Fire Losses (Paragraph B.2.) applies to property located in the following state(s):
California, Hawaii, Iowa, Illinois, Massachusetts, Maine, Missouri, North Carolina, New Jersey, New York, Oregon, Rhode Island, Virginia, Washington, Wisconsin, West Virginia
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. The following definitions are added with respect to the provisions of this endorsement:

1. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
 - b. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
2. "Other act of terrorism" means a violent act or an act that is dangerous to human life, property or infrastructure that is committed by an individual or individuals and that appears to be part of an effort to coerce a civilian population or to influence the policy or affect the conduct of any government by coercion, and the act is not certified as a terrorist act pursuant to the federal Terrorism Risk Insurance Act. However, "other act of terrorism" does not include an act which meets the criteria set forth in Paragraph **b.** of the definition of "certified act of terrorism" when such act resulted in aggregate losses of \$5 million or less.

B. The **Property Coverage Form** attached to this policy is amended as follows:

1. The following exclusion is added:

EXCLUSION OF AN "OTHER ACT OF TERRORISM"

We will not pay for loss or damage caused directly or indirectly by an "other act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But this exclusion applies only when one or more of the following are attributed to such act:

- a. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
- b. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials; or

- c. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of "other acts of terrorism" which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident.

With respect to this item, **B.1.c.** the immediately preceding paragraph describes the threshold used to measure the magnitude of an "other act of terrorism" and the circumstances in which the threshold will apply, for the purpose of determining whether this exclusion will apply to that incident. When the exclusion applies to an "other act of terrorism", there is no coverage under this Policy.

2. Exception Covering Certain Fire Losses

The following exception to the Exclusion in Paragraph **B.1.** applies only if indicated and as indicated in the Schedule of this endorsement.

If an "other act of terrorism" results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the exception does not apply to insurance provided under business income and/or extra expense coverage or endorsements that apply to those coverages.

C. The **Liability Coverage Form** attached to this policy is amended as follows:

1. The following exclusion is added:

This insurance does not apply to:

TERRORISM

"Any injury or damage" arising, directly or indirectly, out of an "other act of terrorism". However, this exclusion applies only when one or more of the following are attributed to such act:

- a. The total of insured damage to all types of property exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
- b. Fifty or more persons sustain death or serious physical injury. For the purposes of this provision, serious physical injury means:
 - (1) Physical injury that involves a substantial risk of death; or
 - (2) Protracted and obvious physical disfigurement; or
 - (3) Protracted loss of or impairment of the function of a bodily member or organ; or
- c. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
- d. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
- e. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

With respect to this exclusion, Paragraphs **C.1.a.** and **b.** describe the thresholds used to measure the magnitude of an incident of an "other act of terrorism" and the circumstances in which the threshold will apply for the purpose of determining whether this exclusion will apply to that incident.

2. The following definition is added:

- a. For the purposes of this endorsement, "any injury or damage" means any injury or damage covered under any Coverage Form to which this endorsement is applicable, and includes but is not limited to "bodily injury", "property damage" or "personal and advertising injury" as may be defined in any applicable Coverage Form.

D. APPLICATION OF OTHER EXCLUSIONS

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for loss or injury or damage that is otherwise excluded under this Policy.

E. CAP ON CERTIFIED TERRORISM LOSSES

The following limitation applies to property and liability coverage for any one or more "certified acts of terrorism" that are not excluded by the terms of Paragraph **D**.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

This endorsement is part of your policy. It supersedes and controls anything to the contrary. It is otherwise subject to all the terms of the policy.
