

URGENT NOTICE: WWHOA Main Entrance Closure (6-8 Weeks)

Dear Homeowners and Residents,

This is an important update from the **City of College Station** regarding essential infrastructure improvements to KRENEK TAP ROAD. **Krenek Tap Road Rehabilitation** is an \$8.5 million infrastructure project. The project aims to fully reconstruct approximately one mile of the roadway between **Texas Avenue** and the **State Highway 6** southbound frontage road.

Project Scope and Improvements

The comprehensive overhaul includes the following upgrades:

- **Roadway Replacement:** Removal of existing concrete pavement and subgrade stabilization, followed by the installation of a new, thicker concrete section.
- **Enhanced Pedestrian Access:** Installation of **10-foot wide shared-use paths** (sidewalks) on both sides of the road to improve safety and connectivity.
- **Infrastructure Updates:** Replacement of aging storm sewer, sanitary sewer, and water main lines.
- **Traffic and Utility Work:** Relocation of street light poles and traffic signal infrastructure, along with the installation of fiber optic conduit.

Timeline and Impact

- **Start Date:** Construction is slated to begin February 16, 2026.
- **Estimated Duration:** The project is expected to take approximately **one year** to complete, with a target end date in early 2027.
- **Traffic Impacts:** Residents and local businesses should prepare for temporary inconveniences, including dust, noise, and restricted parking or driveway access during construction.

For the latest traffic alerts and closure information, you can check the [City of College Station Traffic Alerts](#) page or contact the [Public Works Department](#) at **979-764-3690**.
